Eterno Collection – 50% Off Selected Quartz

Promotional Terms & Conditions

1. The promotion offers 50% off the stone element only of selected Eterno Collection quartz: Taj Mahal, Elegant Grey and White Onyx.

2. The 50% discount applies to the normal selling price of the quartz material only. All other elements of the order, including templating, fabrication, cut-outs, edge details, delivery and installation, will be charged at The Granite House's normal rates.

3. The promotion is available for qualifying orders that are installed during January or February 2027. Installation must be completed by 28 February 2027 to qualify for the promotional stone price.

4. Installation dates are subject to availability. Customers are responsible for ensuring that their kitchen or other installation area is ready for templating and installation on the agreed dates. Delays caused by the customer or their contractors that result in installation taking place after 28 February 2027 may result in the promotional discount being withdrawn.

5. The promotion applies only to Taj Mahal, Elegant Grey and White Onyx quartz from The Eterno Collection. Subject to availability, and no alternative colours or materials are included.

6. The promotion is available only on orders that include templating, fabrication and installation by The Granite House. Supply-only orders are excluded from the promotion and will not qualify for the 50% stone discount.

7. The discount cannot be used in conjunction with any other offer, promotion, discount or preferential pricing arrangement.

8. There is no cash or monetary alternative, and the discount cannot be exchanged for credit against templating, fabrication, installation or any other products or services.

9. The promotion applies to new orders placed during the promotional period and cannot be applied retrospectively to orders already placed or confirmed before the promotion commenced.

10. All orders remain subject to The Granite House's standard quotation, deposit, payment and installation terms and conditions.

11. The Granite House reserves the right to amend, suspend or withdraw the promotion where reasonably necessary, provided this does not affect qualifying orders already accepted and confirmed under the promotion.
